Production of this poster was funded through the Department of Lands and Natural Resources and the USDA Forest Service. This project is a joint effort between the Department of Lands and Natural Resources and the Invasive Species Committee. Additional information were attained from the Pacific Islands Ecosystem at Risk - *Pier-CD, Invasive Plants of the Pacific, Tropica color encyclopedia of Exotic Plants and Trees (Third Edition), Some Fruits and Nuts for the Tropics* Miscellaneous Publication No. 801. Some photos were taken from Mr. Ben S. Bojja's residence in As Tgo, others were taken from random residential areas. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, natural origin, gender, religion, age, disability, political beliefs, sexual orientation and marital or family status. (Not all prohibited bases apply to all programs) persons with disabilities who require alternative communication of programs information should contact the USDA TARGET Center at (202) 720-2600 (Voice or TDD).
